Respect song

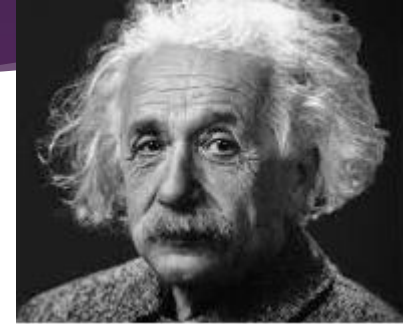

Welcome to our 'Values' assembly

*A value is a principle
that guides our thinking
and behaviour*

RESPECT

You can have respect for someone because you admire something about them

You can have respect for someone's feelings, their wishes or their rights

You can have respect for things other than humans or things that aren't living

A handshake is a **mark of respect**. A way of showing we intend to play fairly and **value** our opponents

Respect should be two ways – mutual respect.

Why is **respect** important?

So we can all **learn**
So people feel **included**
So we are all **safe**
So we are all **happy**

It helps us to have:

- ▶ a calm environment
- ▶ a polite environment
- ▶ a trusting environment
- ▶ a tidy and well cared for environment

We need to earn **respect** and we do that through
respecting others.

What do we have in school that helps us show respect?

Russell Lower School

We all agree that we have four rights:

- The right to be safe
- The right to learn
- The right to be included
- The right to be happy

By following our school rules we can stay safe, learn, be included and feel happy

Russell Lower School

- We will always try our best
- We will always tell the truth
- We will always use good manners
- We will look after our school
- We will be kind and not hurt others
- We will show respect by listening when people are talking
- We will keep each other safe by not running, shouting or throwing inside
- We will share and include people in what we are doing
- We will keep ourselves safe and help others if we can

By following our school rules we can stay safe, learn, be included and feel happy

Time to talk...

- ▶ When is it easy to show respect?
- ▶ When is it harder to show respect?
- ▶ What do you need to think about when showing respect?
- ▶ Do you have to earn respect?

When you see someone fall over

- ▶ Do you laugh?
- ▶ Do you ignore them?
- ▶ Do you call them unkind words?

These are disrespectful.
What should you do?

If you see someone you don't get on with

- ▶ Do you laugh at them?
- ▶ Do you call them names?
- ▶ Do you say nasty things about them?
- ▶ Do you hit them?

These are disrespectful
What should you do?

Respect for our school environment

How can we be respectful towards our environment and equipment?

Respect poem

REACH out to others and try to understand

EVERYONE deserves respect, it should be mutual, so shake hands

SPEND time listening to someone's point of view

POLITENESS should be at the heart of everything you do

EVERYONE is equal, always keep that fact in mind, CARE for others and be considerate and kind

TREAT others just the way you want to be treated too

RESPECT others and they will RESPECT you!'

Treat other people how YOU
would like to be treated.

Help people who need it

Listen to your friends

Hold open a door for someone

Smile at someone you don't normally
speak to

Ask someone to join you on the
playground

How can we show **respect**?

following
rules

caring

listening

trusting

respecting ourselves

being reliable

keeping promises

being punctual

being polite

being fair

Reflect on how you can show
respect to others
