

## Reading at home

To support with reading at home you should be able to access eBooks through the Oxford Owl website.

You should just be able to click onto the site without logging in at the moment and then click on eBooks.

Below is a link to the website and also the levels linked to Russell reading books colours. We have tried to match them the best we can and if you feel when you go into your child's level that the books are either too easy or too difficult please feel free to try the level above or below to find the best reading level for your child.

As always please keep reading stories to your child as well as hearing them read. It is important for them to hear reading being modelled to them and to be asked questions about what they have heard, to check on their understanding of what is read to them as well as what they have read themselves. If you have any questions please feel free to drop us an email at our class email address.
