

Year 3 Spring Term

Learning Log Activity Grid

We would like you to concentrate on your favourite learning styles and choose from the grid below to complete your learning logs. You should complete at least 4 this term but you may do more.

English	Make an Iron Age quiz for your classmates to answer.	Imagine you are sending a postcard to a child in Iron Age time. What would you tell them?	Find out what life was like for a Celt and write a diary entry.
Art and Design	Research and draw Celtic Knots	Design and create your own piece of Celt Jewellery	Design your own coin that could have been used in Iron Age.
D & T	Design and build your own windowsill greenhouse.	Research a famous greenhouse architect.	Build your own replica of a famous greenhouse.
Science	Research food labels and the traffic light system.	Create a poster to inform your classmates how to recognise healthy and unhealthy foods using food labels.	Plants: Have a go at growing a plant from seed and keep a seed diary
Geography	Create a birds eye view of a room in your house.	Go for a walk with your family. Can you create a map of your route? Maybe you could include recognisable landmarks!	Take some photographs of key landmarks in our local area.
History	Research Boudicca! Choose how you present your learning.	Create a historical timeline!	Create a fact file for the Iron Age.
