

Year 3 Summer Term

Learning Log Activity Grid

We would like you to concentrate on your favourite learning styles and choose from the grid below to complete your learning logs. You should complete at least 4 this term but you may do more.

English	Write a poem about Rocks or Anglo Saxons to perform to your class	Imagine you are sending a postcard to a child in Anglo-Saxon time. What would you tell them?	Find out what life was like for an Anglo-Saxon and write a diary entry.
Art and Design	Sketch an artefact found at Sutton Hoo.	Design and create your own Anglo-Saxon shield.	Use the inspiration of William Morris to design your own piece of art.
D & T	Design and build your own moving picture using levers and linkages.	Design an earthquake proof building and explain why it is earthquake proof.	Build your own model of an Anglo-Saxon ship.
Science	Have a go at creating a fossil.	Create your own compost bin! Take a photo and explain how you made it.	Find out some facts about rocks. How could you present your findings?
Geography	Create your own volcano!	Research a famous volcano and create a poster with your findings	Write a guide for how to survive a volcanic eruption or earthquake.
History	Find out about an Anglo-Saxon King! Choose how you present your learning.	Create a historical timeline!	Create a fact file for Anglo-Saxons.
