

Year 2 Learning Log Activity Grid – Out of Africa – Autumn 2024

Choose your favourite learning style or subject.

Activities have been chosen which will not repeat learning in class although there may be some overlap which will extend your child's knowledge.

Literacy / Geography	Numeracy	Art and Design / Design and Technology	Science
Write a poem about a monkey. Use adjectives to describe how it looks and adverbs to describe how it moves.	How many countries are there in Africa? Count them and write a list.	Make a hand/glove puppet of your favourite animal using a variety of materials.	Find out about one animal which lives in Africa. Draw or print a picture of it and include 3 or more facts about it.
Find out facts about an African country.	How many cities are there in Kenya? Which city is nearest to the capital Nairobi?	Make a hanging mobile of animals that you might see in Kenya. You can draw, paint or cut pictures out of magazines to create your animals.	Research two different African animal habitats and find out what animals can be found there.
Make the flags of both Kenya and England. Can you find out what the colours/pictures represent on each flag?	Measure your flags to the nearest centimetre. Draw your flags accurately using a ruler. Check your measurements.	Create a house or shelter for a Kenyan animal of your choice. You could place a model or toy animal inside to show how your design works.	African plants – find out about plants or trees that grow in Kenya.
Write a short story about a monkey or elephant who has escaped from Woburn Safari Park.	Which river is the longest river in Kenya? How long is it? What is the difference between the longest river in England and the longest river in Kenya?	Sketch an African landscape or landmark.	Go on a walk to Ampthill Park and look at the leaves and trees and compare them to that of the Baobab tree.
