How can we **justify** our predictions?

Wild Adventures

I think the title of the book might be *Wild Adventures* because the setting reminds me of the Jungle Book.

LO: To make predictions.

What do you predict the story is about? Why?

I predict The Great Kapok Tree is going to be about a young boy going on an adventure with wild animals because the front cover reminds me of the Jungle Book.

PREDICTION

I can make a prediction.

I can justify my prediction.
