| Unit Overview | | | | |
|------------------|--|---|---|--|
| | Autumn | Spring | Summer | |
| Foundation Stage | <u>Understanding the World</u> School walk observing features of the school and grounds Locating beech (recently planted), oak, sycamore and willow trees in the school grounds Book: Tree by Bretta Teckentrup | Understanding the World Recognise environments that are different from Ampthill Finding the UK and Antarctica on a map What is it like to live in Antarctica? Explore the natural world around them Walk to Kings Arms Garden and around Ampthill | <u>Understanding the World</u> Compare the features of Ampthill and Antarctic Create a simple map of the school | |
| Year 1 | Geographical skills and fieldwork Use simple fieldwork and observational skills to study the geography of their school and its grounds, and the key human and physical features of its surrounding environment Devise a simple map, use and construct basic symbols Human and Physical Geography Identify seasonal and daily weather patterns in the United Kingdom Use the basic geographical vocabulary Medium Term Plan | Locational knowledge name and locate the world's seven continents and five oceans name, locate and identify characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas Geographical skills and fieldwork Use world maps, atlases and globes to identify the United Kingdom and its countries, as well as the countries, continents and oceans studied at this key stage Human and Physical Geography Use the basic geographical vocabulary Medium Term Plan | Place knowledgeunderstand geographical similarities anddifferences through studying the human andphysical geography of a small area of theUnited Kingdom (Coastal place linked toSeaside theme)Geographical skills and fieldworkUse locational and directional language, forexample near and far, left and right, forwards,backwards, next toetc. to describe positionHuman and Physical GeographyUse the basic geographical vocabularyMedium Term Plan | |
| Year 2 | Locational knowledge | Locational knowledge | Locational knowledge | |

| perspectives to recognise landmarks and basic human and physical features | | | name and locate the world's seven continents and five oceans Human and Physical Geography Identify the location of cold areas of the world in relation to the Equator and the North and South Poles Use the basic geographical vocabulary <u>Medium Term Plan</u> | name, locate and identify characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas <u>Human and Physical Geography</u> Use the basic geographical vocabulary <u>Geographical skills and fieldwork</u> Use world maps, atlases and globes to identify the United Kingdom and its countries, as well as the countries, continents and oceans studied at this key stage Use simple compass directions (North, South, East and West) to describe the location of features and routes on a map Use aerial photographs and plan perspectives to recognised landmarks and basic human and physical features <u>Medium Term Plan</u> |
|---|--|--|---|---|
|---|--|--|---|---|

| Year 3 | Human and Physical Geography Describe and understand key aspects of: physical geography: volcanoes and earthquakes human geography, including types of settlements and land use. <u>Medium Term Plan</u> | Human and Physical Geography human geography, including types of settlements and land use. Locational knowledge Locate the world's countries using maps to focus on North and South America (Brazil topic), concentrating on their environmental regions, key physical and human characteristics, countries and major cities Identify the position and significance of the Equator, Northern Hemisphere, Southern Hemisphere, and the Arctic and Antarctic Circle. Place Knowledge Understand geographical similarities and differences through the study of human and physical geography in a region of the UK, and a region within South America (Brazil) Medium Term Plan | Locational knowledge Name and locate countries and cities of the UK geographical regions and their identifying human and physical characteristics, including key features (hills, mountains, coasts and rivers) Geographical skills and fieldwork Use maps, atlases, globes and Google Earth to locate countries studied and described features (human and physical) Use fieldwork to observe measure and record and present the human and physical features in the local area using a range of methods, including sketch maps and simple graphs (Iron Man) Man) |
|--------|---|--|--|
| Year 4 | Geographical skills and fieldwork Use maps, atlases, globes and Google Earth to locate countries studied and described features (human and physical) studied Use fieldwork to observe measure, record and present the human and physical features in the local area using a range of methods, including sketch maps, plans and graphs and digital technologies (maps of Wimpole | Locational knowledge Locate the world's countries using maps to focus on Europe (via Viva Roma), including the location of Russia, concentrating on their environmental regions, key physical and human characteristics, countries and major cities <u>Place Knowledge</u> Understand geographical similarities and differences through the study of human and physical geography in a region of | Human and Physical Geography Describe and understand key aspects of physical geography: rivers (Nile) Geographical skills and fieldwork Use the 8 points of a compass and 4 figure grid references, symbols and keys to build their knowledge of the UK Medium Term Plan |

| Farm/Air Quality monitoring in Ampthill) Locational knowledge Name and locate countries and ci of the UK geographical regions ar their identifying human and physic characteristic, including key featu (hills, mountains, coasts and river: <u>Medium Term Plan</u> |
